Less Tax 4 Landlords Appoint New Group Managing Director

- An important step forward as the group expands to offer SRA and FCA regulated services in 2020

[London, United Kingdom]: Less Tax 4 Landlords and the Less Is More Property Business Group today announced that Nigel Hall has accepted the position as Group Managing Director for companies held by the One Consultancy Group, effective January 28th, 2020.

An experienced Managing Director, with time spent leading companies in the financial services industry and a background in senior roles regulated by the Prudential Regulation Authority (PRA), Financial Conduct Authority (FCA) and Solicitors Regulation Authority (SRA), Nigel has been with the company for over two years already as Head of Business Planning, and is very much looking forward to driving the business to new heights in 2020 and beyond.

“I am pleased to be given the responsibility for driving the new ‘one consultancy’ business that we have created,” says Nigel Hall. “Less Tax 4 Landlords has always offered a holistic approach to serving clients’ needs and that has been reinforced by the setting up of a regulated financial services company and acquisition of an SRA-regulated legal practice. The most important focus now is to make sure the group strives to provide the best service possible to current and future clients. I am very grateful to have a wonderful and supportive team, and together we will put all our energy into making sure we remain the best option for clients.”

‘With a name like Less Tax 4 Landlords, it is not surprising that people come to us to save a bit of tax,’ says Malcolm Rose, co-founder and Group Director. ‘The real benefits, of course, are that we help people with their whole-life planning and optimising the profits they can make from their property business, not to mention the ability for the business to survive the parents’ death, all in a tax-efficient manner, so it is a natural extension to appoint our Head of Business Planning to Group MD. We are delighted to add Nigel to the senior board.’

A specialist arm of the One Consultancy Group, Less Tax 4 Landlords and the Less is More Property Business Group work solely with property investors and portfolio landlords to help them maximise the commercial benefits of building, running, and growing a recognised professional property business.
